We would like to personally thank you and Mary for doing the work that you do. For over a year, [my partner] and I have tried to find a lawyer who understood our needs. Our search was fruitless and we were left feeling very confused and rather defeated by the legal world. I just can't explain how great we felt leaving your office. Protecting our family more important to us than anything else. Your work is helping us find piece of mind. Thank you for that. – LV & AV 2/26/08
